### Skills

# Mathematics Python Data analysis TEX Linux R

### Education

# Secondary School: Sint-Hubertus College Pelt

Sciences and Mathematics | 2010 - 2016

## Bachelor: KU Leuven

B.Sc. Physics | minor: Mathematics | 2016 - 2019

Relevant Coursework: Statistical Mechanics, Introduction to Quantum Mechanics, Particle Physics;

# Master: KU Leuven

M.Sc. Theoretical Physics | Research Option: A.I. | 2019 - current

Relevant Coursework: Computational Physics, Mathematical Physics, Physical Modelling of Complex Systems

# Courses & Certificates

# **Peer Assisted Learning Tutor**

Course: Introduction to Quantum Mechanics | Spring semester 2019

### Extracurricular

# Student representative KU Leuven

member from 2017 - current

Student representative for Physics students.

Member of following committees:

- Permanent Education Committee Physics
- Umbrella Education Council for Sciences
- Student Council KU Leuven

### Volunteer at St-Oda

Summer camp 2015 | St-Odafeesten 2015

Sint Oda is a service centre for children and adults with multiple physical and mental disabilities. As students we supported the staff.

### **Awards**

Second Price "junior olympiade natuurwetenschappen" | May 2014

### Languages

■ **Dutch**: Native Language

**■ English**: Full Professional Proficiency

■ French: Professional Working Proficiency

■ **German**: Limited Working Proficiency

### **Hobbies**

- Walking my dog
- Literature
- Philosophy
